PROFILE

I am a creative audiovisual and visual communicator who transitioned to software development.

I bring experience being a highly collaborative team player, capable of adapting to new environments and tasks, with a keen eye toward details and empathy with the user perspective.

I am especially interested in projects with relation to open source and committed to providing accessible and inclusive experiences to users.

WORK EXPERIENCE

Feb to Jun 2023 - **Software Engineering Intern** at **Wikimedia Foundation**, remote

- Collaborated to add an Onboarding dialog component pattern to Wikimedia Design System Codex and contributed to the implementation of a reusable dialog.
- Led the process of development of the "Add a link" onboarding dialog with Vue.js and Codex.
- Published How to create your own reusable dialog with Codex, useful as a tutorial for WMF staff and promoting WMF technologies to a broader audience.
- Enhanced the Growth Experiments Frontend documentation site.

Set 2020 to Feb 2022 - **Video Editor** at Teleduca, Barcelona

- Led audiovisual workshops within different social and educational organizations and created audiovisual content as a video editor.
